

Sponsorship Opportunity

The Medical Students' Association of Notre Dame (MSAND) invites your involvement in commemorating our 2009 graduating students in our

MEDICAL GRADUATION PROGRAMME

This year we are celebrating the graduation of the second cohort of medical students from the University of Notre Dame Australia (UNDA) Fremantle to the exciting world of medicine as Doctors. Since commencing their studies in 2006, one year after the inauguration of the Medical School, the UNDA has prepared and trained these students to become highly skilled and well rounded Doctors for the people of Perth and the wider community.

The aim of these graduation events is to celebrate the achievements of the UNDA's only second ever Post-Graduate medical student cohort. Many of our graduates are sure to be the future leaders of health and medicine in our state, and have been intimately involved in many areas of Western Australian healthcare over the past four years. Our student body consists of a diverse group of people, already with a wide age range of qualifications and varied backgrounds, having previously contributed to the fields of Health Care, Law, Finance, Education and the Sciences. Building on these backgrounds during the medical degree, UNDA has aimed to produce well rounded and enthusiastic graduates with varied interests and strengths.

We invite your support of this significant event through your involvement in the following graduation programme:

(Note - please see final page for further details)

Event 1. End of Academic Year Function

Date: Friday 16th October 2009, (evening)

Location: TBA - last year at Kulcha in Fremantle

Event 2. Post-Elective Family Day

Date: Thursday 10th Dec 2009, (afternoon)

Location: TBA - last year BBQ and Bowls afternoon

Event 3. Premier Event ~ The Graduation Lunch or Dinner

Date: Sunday 13th Dec 2009 or Monday 14th Dec 2009 (day following graduation)

Location: TBA - last year at Royal Freshwater Bay Yacht Club, Claremont

Publication. Notre Dame Class of 2009 Graduation Yearbook

A hardback 'collegian'-style Yearbook is to be compiled with contributions from graduating students, and with inspiring commentaries from leaders of our local medical community.

This will be distributed to each graduate at the end of the graduation program.

EVENT DETAILS

Event 1. End of Academic Year Function

Date: Thursday 9th October 2009
Location: TBA
Attendance: Approx 80 guests

This occasion is to mark the end of the formalised academic year and the conclusion the last of eight semesters of medical school. Students, their partners and UNDA staff will be celebrating with drinks and a light supper at a venue in Fremantle.

Event 2. Post-~~E~~lective Family Day

Date: Thursday 10th Dec 2009
Location: TBA
Attendance: Approx 80 guests

The 'Elective' is the final requirement of each student before graduation. It is a 6 week program of focussed medical practice in a location of the student's own choosing, and in the majority of cases are overseas locations. Students are set to undertake these in varying settings – locally, nationally and internationally. A casual afternoon of family, fun, frivolity and festivity is planned to allow this special student group to come together again and share stories of their travel and medical experiences. A barbecue, refreshments, prizes and informal speeches will complete this relaxed and special day.

Event 3. The Graduation Lunch or Dinner

Date: Sunday 13th Dec or Monday 14th Dec 2009 (day following graduation – to be finalised)
Location: TBA
Attendance: Approx 300 guests

This is the key MS&ND event of the UNDA graduation weekend. It follows the UNDA formal graduation ceremony on the previous day and is the event chosen by students to share this momentous achievement. This is the premier event for the graduates and all those who have supported them in realising this achievement (partners, family, staff, and clinical teachers). Formal speeches and presentations will be made to and by students and significant staff members, including an address by the Dean of the School of Medicine. Guests will enjoy champagne and a casual yet elegant meal on this occasion with music and audiovisual commemorative pieces to accompany as entertainment.
